

# Cased Coils for Gas and Oil Furnaces

## FCCN / FCCA Series

R-410A

Full-cased, Multi-position Design

Thermal Expansion Valve (TXV) or Electronic Expansion Valve (EEV)

13.4 SEER2 - 18.0 SEER2 AC and HP applications

- Fujitsu Indoor Coils are designed for use with Fujitsu air conditioning or heat pump outdoor units and are designed to meet a variety of installation requirements, including upflow, downflow, and horizontal left or horizontal right applications. When matched with Fujitsu outdoor units, the coils provide a nominal capacity range from 1.5 through 5.0 tons, allowing for installations in small and larger homes.
- Constructed of all-aluminum fins bonded to internally grooved all-aluminum tubing to minimize corrosion while ensuring superior cooling and heating transfer to the space.
- Coils are tested at the factory with an extensive refrigerant leak check.
- Coils have sweat refrigerant connections.
- Ideally suited for new installations or add on air conditioning.
- Feature two sets of 3/4" [14.1 mm] N.P.T. Condensate drain connections for ease of connection.
- Coils are AHRI certified for system application with variety of Fujitsu outdoor units.
- Condensate drain pan is constructed of high grade, heat resistant, corrosion free thermal-set material.
- Compatible with Germicidal Light System (UV resistant)
- Bi-Directional airflow eliminates the need to switch any internal components from horizontal left to right.
- Unique drain pan design maximizes application flexibility and condensate removal.
- Universal Duct Flanges are included with all coil models.

### BENEFITS AT-A-GLANCE

**EVAPORATOR COIL:**  
All Aluminum

**WARRANTY<sup>1</sup>:**  
Conditional parts – 10 years

<sup>1</sup> For complete details of the limited warranties, including applicable terms and conditions, contact your local contractor or go to [www.fujitsugeneral.com](http://www.fujitsugeneral.com) for a copy of the product warranty certificate.

### Limited Warranty Information:

Conditional Parts - 10 Years (Registration Required)
